

REGENT'S PARK TERRACE GARDENS REGULATIONS (2010)

These Regulations shall be known as the *CEPC Regent's Park Terrace Gardens Regulations 2010*, and supersede all previous Regulations made by the CEPC. These Regulations do not apply to either Park Square or Park Crescent Gardens which have separate regulations. These Regulations shall come into force on 1 December 2010.

GARDEN ACCESS

1. Access to a particular CEPC Terrace Garden is offered only to those who are eligible. Those who shall be eligible (hereinafter referred to as Residents) are:
 - 1.1. CEPC ratepayers contributing to that particular Terrace Garden;
 - 1.2. current residents of properties rated by the CEPC for that particular Terrace Garden;
2. Residents eligible to access one particular Terrace Garden are not eligible to access other Terrace Gardens.
3. Any Resident is eligible to apply for a Subscription to access Park Crescent and Park Square Gardens, although Residents of properties rated for those gardens will not require subscriptions. Subscriptions are offered at the discretion of and on the terms set from time to time by the CEPC.

ISSUE OF KEYS

4. Access to a Terrace Garden may require the use of a Key. The Key may be either Mechanical or Electronic. Keys are made available to Residents in exchange for a Fee. The value of the Fee is normally set annually by the CEPC, although Fees may be changed at any time.
5. The use of each Key is limited strictly to the members of the Resident's household or their employees or, in the case of Business Residents, the employees working at the Business Resident's address. Keys may not be transferred, lent or hired to any other persons.
6. At the discretion of the CEPC, Residents may purchase an additional Key only for the use of members of their household or their employees. The issuing of additional Keys will be closely controlled and no more than two Keys will be issued to any domestic Resident.
7. In the event of a Key being lost, the Resident must notify the CEPC of the loss at their earliest opportunity. Electronic Keys that are either reported as being lost or that the CEPC reasonably suspects are no longer in the possession of the Resident will be automatically deactivated.
8. Broken or inactive Keys may be replaced at the discretion of the CEPC on the payment of a Fee.
9. The CEPC reserves the right to demand that Residents surrender their Keys and in these circumstances no Fees shall be returnable.

10. No person may make or cause to be made any Electronic or other Key to the locks of the gates giving access to any Terrace Garden, and every person using any key not provided by the CEPC will be liable to pay a penalty (5^o George IV CAP. 100).

RESPONSIBILITIES OF RESIDENTS

11. Residents will be held responsible at all times for the behaviour of those using their Key to access a Terrace Garden and for any damage they may cause, either deliberately or otherwise.
12. Anyone using a Key is required to ensure that the Gates are properly secured behind them on entering and leaving a Terrace Garden. Gates are not to be left unlocked and unattended in any circumstances. Those with Keys must guard against allowing access by unauthorised individuals either deliberately or inadvertently.
13. Anyone using a Key shall produce their Key for inspection and give their name and address when requested by CEPC staff and shall at all times obey the reasonable directions given by CEPC staff.
14. The use of the Terrace Gardens for social or other functions or events is not permitted unless by prior permission in writing by the CEPC.
15. Residents who bring tables, chairs or any other items into the Terrace Gardens do so at their own risk. All items must be removed on the same day and must not be left overnight. The CEPC reserves the right to dispose of any items that are left overnight in a Terrace Garden or that it believes are causing a nuisance.
16. Residents are prohibited from placing any items brought into a Terrace Garden in such a manner that prevents access or discourages the quiet enjoyment of any part of the garden by other Residents.
17. Toys, paper, bottles, glasses or any other litter must not be left in Terrace Gardens. Waste bins may be provided for the disposal of small amounts of litter and must not be used for dumping. Should litter bins become full, rubbish should be taken away and not dumped beside bins.
18. The Commissioners reserve the right to close any Terrace Garden or to limit access to all or parts of them at any time.
19. The following activities are prohibited in Terrace Gardens unless specific prior arrangements have been made in writing with the CEPC:

- 19.3. riding bicycles, roller-skates, skate-boards or any powered or unpowered vehicles;

20. Terrace Gardens are only to be used during daylight hours and are not to be used at night.
21. No commercial photography is allowed in Terrace Gardens without prior consent of the CEPC.
22. Anyone creating or finding any damage to any feature of a Terrace Garden should report the matter as soon as possible to a CEPC Gardener, Security Patrol Officer or its Offices.
23. Where they exist in a Terrace Garden, CEPC work areas, facilities and electrical installations are strictly out of bounds to garden users.
24. CEPC signage giving instructions or setting out restricted areas should be strictly obeyed at all times.

BALL GAMES & OTHER SPORTS

25. No ball games shall be played in the Terrace Gardens.
26. The CEPC reserves the right of its staff to exercise active control over any sporting activity taking place within the Terrace Gardens that in their reasonable opinion has caused or is likely to cause damage to CEPC property or a nuisance to other garden users. Those failing to obey the reasonable requests of CEPC staff are at risk of having their Key confiscated or deactivated without notice.

RESPONSIBILITY FOR CHILDREN

27. All children must be accompanied at all times by a responsible adult when using the Terrace Gardens. Groups of unaccompanied children or youths are not permitted to use the Terrace Gardens at any time without the presence of appropriate numbers of responsible adults.

 - 28.2. swinging from trees or shrubs, or climbing on them or on the railings or balustrades;
 - 28.3. playing in the flowerbeds or shrubberies;
 - 28.4. creating any disturbance detrimental to the peaceful enjoyment of the Terrace Gardens by other users.
29. Those responsible for children who use the Terrace Gardens retain those responsibilities at all times. The CEPC does not accept any responsibility for monitoring the activities of

children or any liability for accidents involving children using the Terrace Gardens and their facilities.

DOGS

30. Dogs are not permitted in the Terrace Gardens.

31. Residents who have dogs that are found to be accessing a Terrace Garden will be held responsible for the actions of those dogs. Where persistent problems or nuisances arise from a particular dog and the CEPC reasonably believes that the Resident responsible for that dog is not taking appropriate action to prevent such nuisances, the CEPC reserves the right to deactivate or confiscate a Resident's Key and to take any action it feels appropriate to prevent further nuisance.

DAMAGE TO PROPERTY

32. Any person wilfully breaking, cutting or removing any of the plants, flowers, trees or shrubs or committing any other damage to CEPC property is liable to pay a penalty (5^o George IV Cap. 100) and may have their Key deactivated or confiscated with immediate effect.

LOST PROPERTY

33. Any property found in the Terrace Gardens should be taken to the CEPC Office at 12 Park Square East or handed to a CEPC Gardener or Security Patrol Officer.

LIABILITY

34. Terrace Garden users do so entirely at their own risk. The CEPC does not accept any liability for loss, damage or injury to individuals, animals or property being brought into the gardens or arising from the use of the Terrace Gardens and their facilities.
